

Presentation Export: Resources and Templates

InPrint 3 comes with over 50 example presentation resources and matching templates.

We recommend you start by trying out the presentation in Microsoft PowerPoint or similar applications. Then explore copying and editing the InPrint 3 resource file. Each resource file has a corresponding Template that can be used to make similar resources from scratch.

Presentations

Presentations: To access these, read the Getting Started with Presentation Export PDF document to export a resource as a Presentation.

Resources: To access the resources, go to the file Tab and select Resource Packs on the right-hand side. Then select the **Presentations** folder.

Templates: To access the templates, go to the **File** tab, and select **Templates** on the right-hand side. Then select the **Presentations** folder.

Books and Information

Books and Information are a range of simple linear templates for presenting different content.

Resource and Presentation:
3D Shapes - Topic Cards

Template:
Topic Cards

A basic resource for exploring different 3d shaped objects. Followed by an activity to find different shaped items in the room.

Resource and Presentation:

Diwali - Basic Book

Template:

Basic Book

A simple 9 slide book containing facts and information about Diwali.

Resource and Presentation:

Fun Animal Facts - Picture and Sentence

Template:

Picture and Sentence Jungle

A series of 19 fun animal facts with attractive photos.

Resource and Presentation:

Golden Rules - Instructions

Template:

Instructions - 7 steps

This presentation presents seven golden rules for good behaviour at school and provides a simple explanation of what each means.

Resource and Presentation:

Green Cross Code - Instructions

Template:

Instructions - 6 steps

This presentation details the green cross code steps for crossing a road safely.

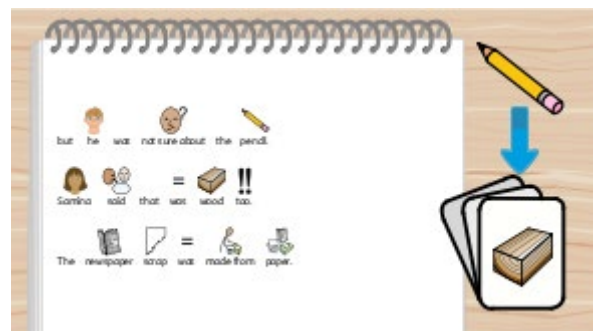

Resource and Presentation:

Materials - Story and Vocab

Template:

Story and Vocab

A symbol story to support the KS1 science unit 'sorting materials'. Followed by a brief activity exploring materials.

Resource and Presentation:

Prepositions - Picture and Sentence

Template:

Picture and Sentence Plain

A simple activity supported by charming drawings for learning about different prepositions – in, on, under, next to, between

Resource and Presentation:

Rainforest Animals - Topic Book

Template:

Topic Book

An information book for learning about different plants and animals from the rainforest.

Resource and Presentation:

Rainforest Destruction - Topic Book

Template:

Topic Book

An information book about the different causes of rainforest destruction and deforestation.

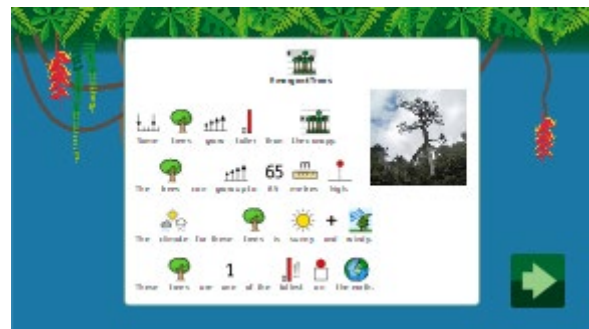

Resource and Presentation:

Rainforest Layers - Topic Book

Template:

Topic Book

An information book about the conditions in the different layers of the rainforest.

Resource and Presentation:

Rainforest Sustainability - Topic Book

Template:

Topic Book

An information book about rainforest sustainability, why it's important to protect it and some of the resources it provides.

Resource and Presentation:
Red Riding Hood - Story Mountain

Cycles

A series of presentations to support learning about life cycles and other cyclical topics.

Resource and Presentation:

Life Cycle of a Butterfly - Simple

Template:

Cycle 4

A simple diagram that builds up to show the 4 stages of a butterfly's life cycle.

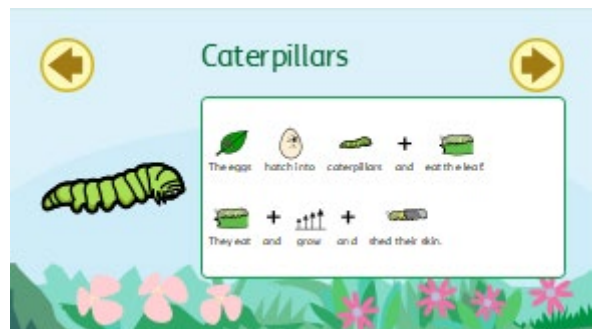

Resource and Presentation:

Life Cycle of a Butterfly - Story

Template:

Cycle 4 Story

A diagram linking to information about each stage in the life cycle of a butterfly.

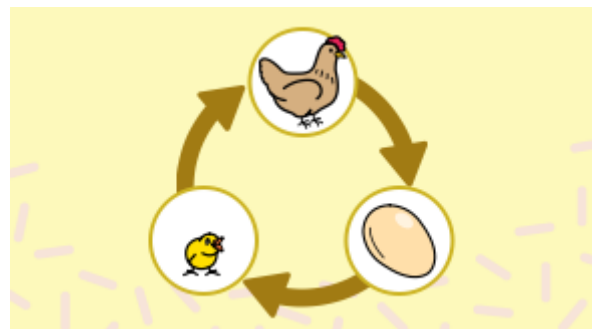

Resource and Presentation:

Life Cycle of a Chicken - Simple

Template:

Cycle 3

A simple diagram that builds up to show the 3 stages of a chicken's life cycle.

Resource and Presentation:

Life Cycle of a Chicken - Story

Template:

Cycle 3 Story

A diagram linking to information about each stage in the life cycle of a chicken.

Resource and Presentation:

Life Cycle of a Frog - Simple

Template:

Cycle 4

A simple diagram that builds up to show the 4 stages of a frog's life cycle.

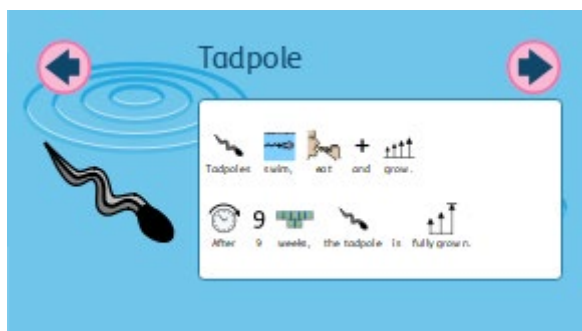

Resource and Presentation:

Life Cycle of a Frog - Story

Template:

Cycle 4 Story

A diagram linking to information about each stage in the life cycle of a frog.

Resource and Presentation:

Life Cycle of a Tree - Simple

Template:

Cycle 6

A simple diagram that builds up to show the 6 stages of a tree's life cycle.

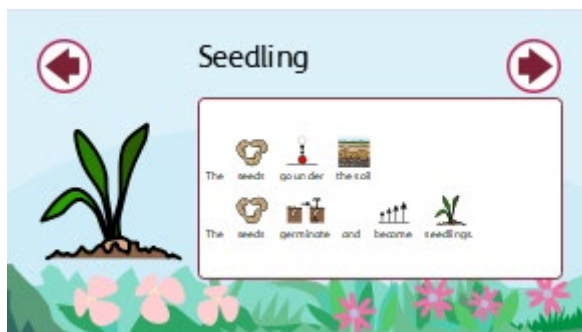

Resource and Presentation:

Life Cycle of a Tree - Story

Template:

Cycle 6 Story

A diagram linking to information about each stage in the life cycle of a tree.

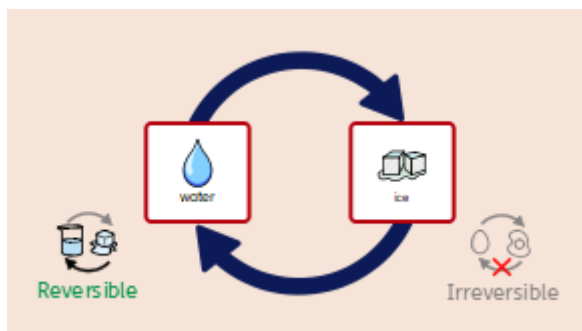

Resource and Presentation:

Reversible Irreversible Cycle

Template:

Cycle 2

An activity for exploring whether a change in a substance is reversible or irreversible.

Resource and Presentation:

The Water Cycle - Simple

Template:

Cycle 5

A simple diagram that builds up to show the 5 stages of the water cycle. Long and short versions are included.

Resource and Presentation:

The Water Cycle - Story

Template:

Cycle 5 Story

A diagram linking to information about each stage of the water cycle.

Quiz

A range of different fun and educational quizzes for whole class activities.

Resource and Presentation:

Animal Habitats - Picture Question Quiz

Template:

Picture Question Quiz

An activity for matching an animal to its habitat.

Resource and Presentation:

Guess the Film

Template:

Guess the Film

A really entertaining activity for guessing the film from the symbol prompts.

Great to edit to include your favourite films.

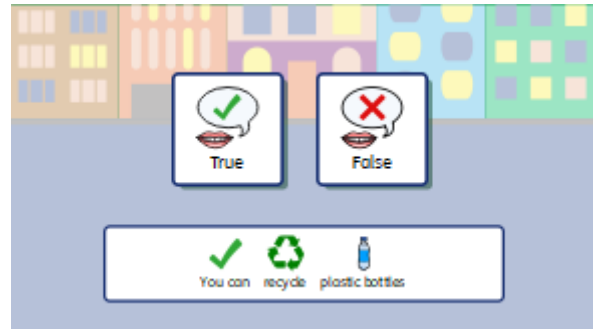

Resource and Presentation:

Recycling - True False

Template:

Quiz 2 Answers

A true-false activity for exploring which items can be recycled.

Resource and Presentation:

Red Riding Hood - Quiz

Template:

Quiz 5 Answers

A quiz to supplement the Red Riding Hood traditional story.

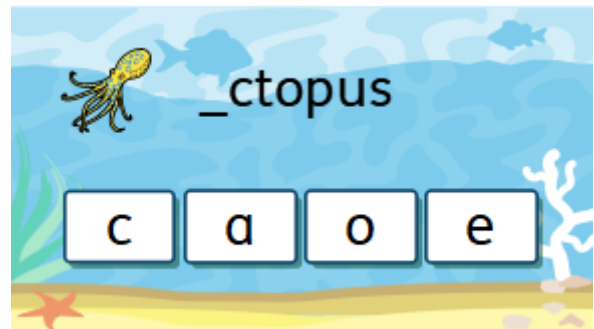

Resource and Presentation:

Sea Creatures - Initial Letter 4

Template:

Initial Letter - 4 letters
